These passes need to be requested through the Integrated Civil Society Organizations System (iCSO). More information on how to request grounds passes can be found on the website: <http://csonet.org/?menu=86>

Applications are now open for Learning, Training and Practice Courses and are due **June 2**. These courses are three hours long and take place the first week. Guidelines for the courses are here:

<https://sustainabledevelopment.un.org/content/documents/14699SDGslearningguidelines.pdf>. The application is available on the website in Word format.

### **MINISTERIAL DECLARATION – key dates**

Austria and Jamaica will facilitate negotiations for the ministerial declaration. We hope you will share input by June 1. Please send input to [mhd-hlpf@taumail.com](mailto:mhd-hlpf@taumail.com).

The draft elements of this year’s Ministerial Declaration are available from <https://sustainabledevelopment.un.org/content/documents/15082MDDraftElements.pdf>. As many of you will recall, [last year’s Ministerial Declaration](#) was very weak and we saw little appetite from countries for anything stronger. The co-facilitators this year have expressed some desire for a stronger text, so it will be

important for us to have clear, strong recommendations throughout the entire process to support a stronger text. Your input will be critical to this process. If you would like to share information that may be included in statements by representatives of Major Groups during the negotiations, please send this mhd-hlpf@taumail.com as soon as possible.

**Dates to remember:**

- First reading: June 15-16
- Second reading: June 21-22
- Final reading: June 29-30

The document will be finalized during the HLPF but dates have not been set. They will be shared with you as soon as we know.
